

GRADE 7 2026

TOUR TO KWAZULU-NATAL

MESSAGE FROM THE HEADMASTER

Dear Grade 7 Boys,

Best wishes as you travel to the East Coast for your much-anticipated tour. Through the opportunities ahead, you will experience a beautiful part of your country, represent your school in both sporting and cultural exchanges, and create lasting memories with your friends.

Amid all the excitement, there may be moments when you miss the familiarity of home and family. During those times, lean on your friends and teachers - this is what it means to be part of a community that truly values *Togetherness*.

At all times, strive to live out the values of the MITRE, and most importantly, enjoy every moment of this special experience.

Kind regards,
Mr Lalla
