

Join the Bishops Hockey Supporters Club

Dear Bishops Hockey Family,

As we begin the season, we first acknowledge the immense loss of a pillar of our coaching structures, our beloved Cassa. His impact on Bishops Hockey was profound. Our community stands together — supporting the Cassiem family and committing to continue building the programme he cared so deeply about under the new leadership of Ryan Julius.

Thanks to your support in 2025, the BHSC was able to:

- Contribute to remuneration support for our top three coaches
- Host a successful fundraising event
- Sponsor cooler boxes for Bishops and visiting teams
- Purchase a new bar fridge for hockey functions
- Strengthen collaboration with the school on the hockey programme and future Bishops hockey developments
- Support the Cassiem family during an incredibly difficult time
- Facilitate the introduction of Paul Revington as a consultant to Bishops for 2026 — a role that will be funded by the BHSC

We now build on that foundation.
